ACTIVITY – Diving Deeper!

Now that you have been introduced to Sage and some of their careers, it's time to find out even more to help you decide if the career path might be right for you.

For this activity you will need access to the internet

1. We discussed Sage being an accountancy company but looking at their profile on globalbridge what type of company do they describe themselves as?
2. Thinking of how you imagined an accountant looking, how does this now compare to the video. Write **THREE** things that you might change on your picture.

THINK! Would their skills be different too?

3. Which University students helped the founder David Goldman develop Sage?
4. Sage was formed in 1981 and serves **THREE MILLION CUSTOMERS** across how many countries?
5. You can become a Sage apprentice across various sites in the UK and in **FOUR** other countries. Please name them here.
